

CURRICULUM VITAE

Carol A. Miller

Department of Communication Sciences and Disorders
404K Ford Building
Penn State University
University Park, PA 16802
Phone: (814) 865-6213
Email address: cam47@psu.edu

Education

| | |
|--|------|
| Ph.D., Psychology, University of Pennsylvania Dissertation title: The understanding and acquisition of symmetrical predicates in adults and young children | 1994 |
| M.A., Psychology, University of Pennsylvania Thesis title: The semantics and syntax of symmetry | 1990 |
| B.A. Michigan State University, with high honor; Major: Psychology; Honors College | 1989 |

Positions

| | |
|--|--------------|
| Co-Associate Director, Center for Language Science, The Pennsylvania State University | 2009-present |
| Associate Professor, Program in Linguistics, The Pennsylvania State University | 2008-present |
| Associate Professor, Department of Communication Sciences and Disorders, The Pennsylvania State University | 2006-present |
| Assistant Professor, Department of Communication Sciences and Disorders, The Pennsylvania State University | 2000-2006 |
| Research Associate, employed by Dr. Laurence B. Leonard, Department of Audiology and Speech Sciences, Purdue University | 1996-2000 |
| Post-doctoral Fellow, funded by NIH Institutional Training Grant to the Department of Audiology and Speech Sciences, Purdue University Mentor: Dr. Laurence B. Leonard | 1994-1996 |

Funded research

- “Partnership for International Research and Education: Bilingualism, mind, and brain: An interdisciplinary program in cognitive psychology, linguistics, and cognitive neuroscience” 2010-2014
 Funded by National Science Foundation
 Role: Core Faculty Member (J. Kroll, P. Dussias, P. Li, J. van Hell, PIs)
 0968369
 Amount: \$ 2,813,603
- “Language and Literacy Research Initiative” 2009-2011
 Funded by Children, Youth, and Families Consortium,
 The Pennsylvania State University
 Role: Co-Investigator (E. Mainela-Arnold, Lead Investigator)
 Amount: \$20,000
- "Discriminating Auditory Processing Disorder and Specific Language Impairment in School-age Children" 2005-2009
 Funded by National Institutes of Health--National Institute of Deafness and Other Communication Disorders
 1 R03 DC007312-01
 Role: Principal Investigator
 Amount: \$198,608
- "A Preliminary Examination of Treatments for Auditory Processing Disorder" 2002-2004
 Funded by Children, Youth, and Families Consortium,
 The Pennsylvania State University.
 Role: Lead Investigator
 Amount: \$13,181
- "Collaboration on Specific Language Impairment—Project 2: Processing Abilities of Children with Specific Language Impairment" 2001-2006
 Funded by National Institutes of Health—National Institute of Deafness and Other Communication Disorders.
 2 P50 DC02746-09 (J. B. Tomblin, PI)
 Role: Investigator
 Amount: \$193,900

Pending funding applications

- “ERP and Behavioral Indices of Auditory Processing in Adults and Children” 2012-2014
 Submitted to National Institutes of Health
 1R21DC011071-01A1
 Role: Principal Investigator
 Amount: \$379,255
- “Improving the reading, writing, and language skills of middle school students who struggle with content learning: A Tier III comprehensive

intervention approach (Project CIA)”

Submitted to Institute of Educational Science, Department of Education
R324A100024

Role: Evaluation team member (L. Mason, PI)

Amount: \$2,198,169

Funded student research

“Sentence Processing Factors in SLI” 2010-2013

Funded by National Institutes of Health (Kirchstein NRSA Pre-doctoral fellowship)
1F31DC010960-01

Role: Co-Sponsor (G. Poll [Ph.D. student], PI)

“Doctoral Dissertation Research: The Role of Orthography to Phonology 2011-2013
Mapping in Bilingual Word Reading”

Funded by National Science Foundation (Dissertation Improvement Award)
BCS-1052926

Role: Co-Principal Investigator (M.R. Botezatu [Ph.D. student], Co-PI)

Peer-reviewed publications

Mainela-Arnold, E., Misra, M., Miller, C., Poll, G.H., & Park, J.S.. (in press). Investigating sentence processing and language segmentation in explaining children’s performance on a sentence span task. *International Journal of Language and Communication Disorders*.

Book chapters

- Deevy, P., and Miller, C.A. (2001). A tool for characterizing grammatical morphology development. In H-J. Do, L. Dominguez, & A. Johnson (Eds.), *Proceedings of the 25th Boston University Conference on Language Development*, vol. 1 (pp. 214-225). Somerville, MA: Cascadilla Press.

Miller, C.A. (2001). False belief and sentence complements in children with specific language impairment. In H-J. Do, L. Dominguez, & A. Johnson (Eds.), *Proceedings of the 25th Boston University Conference on Language Development*, vol. 2 (pp. 491-498). Somerville, MA: Cascadilla Press.

Miller, C.A., and Leonard, L.B. (1997). A test of assumptions of some recent accounts of specific language impairment. In E. Hughes, M. Hughes, & A. Greenhill (Eds.), *Proceedings of the 21st Boston University Conference on Language Development*, vol. 2 (pp. 402-409). Somerville, MA: Cascadilla Press.

Invited publications

Miller, C.A. (2007). [Review of the book *A glossary of morphology*]. *Clinical Linguistics & Phonetics*, 21(4), 319-320.

Miller, C.A., and Müller, U. (2004). Structure, genesis, and criteria [peer commentary]. *Behavioral and Brain Sciences*, 27, 116-117.

Presentations at professional meetings

Park, J.S., Mainela-Arnold, E., & Miller, C. (June, 2011). *The speed of information processing: Does it explain nonverbal IQ in children with specific language impairment?* Poster presented at the Symposium on Research in Child Language Disorders. Madison, WI.

Mainela-Arnold, E., Misra, M., Miller, C., Poll, G., & Park, J.S. (November, 2010). *The roles of sentence processing and phonological awareness in working memory*. Poster presented at the Convention of the American Speech-Language-Hearing Association. Philadelphia, PA.

O'Neill, T.A., Rhodes, M.B., Miller, C.A., & Scheffner Hammer, C. (November, 2010). *Receptive Vocabulary Development of Spanish-English Bilingual Children*. Poster presented at the Convention of the American Speech-Language-Hearing Association. Philadelphia, PA.

Poll, G., Mainela-Arnold, E., Miller, C., Misra, M., Park, J.S. (June, 2010). *Working Memory and Speed of Processing in Children's Sentence Production*. Poster presented at the Symposium on Research in Child Language Disorders. Madison, WI.

Mainela-Arnold, E., Misra, M., Miller, C., Poll, G., & Park, J.S. (June, 2010). *Explaining verbal working memory performance in children with and without learning disabilities: The role of attention and phonological awareness*. Poster presented at the Symposium on Research in Child Language Disorders. Madison, WI.

Poll, G.H., & Miller, C.A. (November, 2009). *Precursors to Specific Language Impairment: Typical and Late Talking*. Poster presented at the Convention of the American Speech-Language-Hearing Association. New Orleans, LA.

- Mainela-Arnold, E., Simkowski, L., & Miller, C.A. (June, 2009). *Explaining verbal working memory performance in children with low language abilities: The role of sentence processing latency*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A., & Wagstaff, D.A. (June, 2009). *Linguistic and non-linguistic performance of children referred with auditory processing disorder or language impairment*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A. (June, 2008). *Principal components analysis of language and auditory processing measures*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Poll, G., and Miller, C.A. (June, 2008). *A history of late talking in children with SLI: A phonological phenomenon?* Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A., and Uhring, E.A. (November, 2007). *Relationships among language, auditory processing, and cognitive test performances*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Boston, MA.
- Miller, C.A., and Gilbert, E. (June, 2007). *Discrepant performance on two nonverbal intelligence tests by children with and without language impairment*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A. (March, 2007). *Assessment of Language, Auditory Processing, and Working Memory in Schoolchildren*. Poster presented at the Convention of the Pennsylvania Speech-Language-Hearing Association, State College, PA.
- Deevy, P., and Miller, C.A. (June, 2006). *Structural priming without repetition: Evidence from children with and without SLI*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A., Leonard, L.B., & Finneran, D. (March, 2006). *Response time of grammaticality judgments by adolescents*. Poster presented at the Online Methods in Children's Language Processing workshop, New York, NY.
- Miller, C.A., Leonard, L.B. (July, 2005). *Processing speed and language impairment over time*. Poster presented at the Xth International Congress for the Study of Child Language, Berlin, Germany.
- Miller, C.A. (June, 2005). *Domain-specific developmental change in response time in children with and without language impairment*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A., Leonard, L.B., and Kail, R.V. (November, 2004). *Language impairment and processing speed over time*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Philadelphia, PA.

- Miller, C., Blood, G., Light, J., Drager, K., Qualls, C.D., Blood, I., and Roberts, B. (November, 2004). *Problem based learning instructional modules delivered through web-based technology*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Philadelphia, PA.
- Miller, C.A., Leonard, L.B., and Kail, R.V. (June, 2004). *Processing speed in fourteen-year-olds with language impairment*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, WI.
- Miller, C.A., Uhring, E.A., Brown, J., Kowalski, E., Roberts, B., and Schaefer, B. (April, 2004). *A preliminary investigation of effectiveness of treatments for auditory processing disorder*. Poster presented at the Convention of the Pennsylvania Speech-Language-Hearing Association, State College, PA.
- Uhring, E.A., Miller, C.A., Brown, J., Kowalski, E., Roberts, B., and Schaefer, B. (April, 2004). *An exploratory comparison of APD treatments*. Poster presented at the Convention of the American Academy of Audiology, Salt Lake City, UT.
- Deevy, P. L., Miller, C.A. (November, 2003). *Structural Priming in Children With and Without SLI*. Poster presented at the Annual Convention of the American Speech-Language-Hearing Association, Chicago, Illinois.
- Kail, R.V., and Miller, C.A. (October, 2003). *Developmental stability in speed of information processing*. Poster presented at the Biennial Meeting of the Cognitive Development Society. Park City, UT.
- Kail, R.V., and Miller, C.A. (May, 2003). *Developmental change in speed of processing: Longitudinal data*. Poster presented at the Annual Meeting of the Midwestern Psychological Association, Chicago, IL.
- Miller, C.A., Leonard, L.B, and Kail, R.V. (April, 2003). *A longitudinal study of response time in children with and without language impairment*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Tampa, FL.
- Miller, C.A., Hurley, E., Lick, D., and Strauser, M. (November, 2002). *Response time in adults with a history of language intervention*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Atlanta, Georgia.
- Deevy, P., and Miller, C.A. (November, 2002). *Structural priming effects in preschoolers with and without SLI*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Atlanta, Georgia.
- Leonard, L.B., Deevy, P., Miller, C.A., Charest, M., Rauf, L., and Kurtz, R. (November, 2002). *Tense and aspect in the productions of children with SLI*. Poster presented at the Convention of the American Speech-Language-Hearing Association, Atlanta, Georgia.

- Tomblin, J.B., Catts, H., Leonard, L.B., Miller, C.A., Rice, M., and Ellis Weismer, S. (July 2002). *Language-nonverbal IQ discrepancies in children with SLI*. Symposium presented at the Joint Conference of the IX International Congress for the Study of Child Language and the Symposium on Research in Child Language Disorders, Madison, Wisconsin.
- Leonard, L.B., Deevy, P., Miller, C.A., Rauf, L., and Charest, M. (November, 2001). *Participle use by children with specific language impairment*. Poster presented at the Convention of the American Speech-Language-Hearing Association, New Orleans, Louisiana.
- Miller, C.A., Tomblin, J.B., Zhang, X., Kail, R., and Leonard, L.B. (November, 2001). *Speed of processing as a predictor of language performance*. Poster presented at the Convention of the American Speech-Language-Hearing Association, New Orleans, Louisiana.
- Miller, C.A. (April, 2002). *False belief and sentence complementation in children with and without specific language impairment*. Poster presented at Why Language Matters for Theory of Mind conference, Toronto, Canada.
- Leonard, L.B., Miller, C.A., Deevy, P.L., Rauf, L., Gerber, E., and Charest, M. (June, 2001). *Production operations and the use of nonfinite sentences by children with specific language impairment*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, Wisconsin.
- Deevy, P. and Miller, C.A. (November, 2000). *A tool for characterizing grammatical morphology development*. Paper presented at the 25th Boston University Conference on Language Development, Boston, Massachusetts.
- Miller, C.A. (November, 2000). *False belief and sentence complements in children with specific language impairment*. Paper presented at the 25th Boston University Conference on Language Development, Boston, Massachusetts.
- Miller, C.A., Kail, R., and Leonard, L.B. (1998, June). *Speed of processing and specific language impairment*. Poster presented the Symposium on Research in Child Language Disorders, Madison, Wisconsin.
- Miller, C.A. and Leonard, L. B. (1997, May). *Detection of syntactic errors by children with and without specific language impairment*. Paper presented at the Symposium on Research in Child Language Disorders, Madison, Wisconsin.
- Miller, C.A. and Leonard, L. B. (1996, November). *A test of assumptions of some recent accounts of specific language impairment*. Paper presented at the 21st Boston University Conference on Language Development, Boston, Massachusetts.
- Miller, C.A., and Leonard, L.B. (1996, June). *Stretching the boundaries of SLI: Implications for recent theories of grammatical deficits*. Poster presented at the Symposium on Research in Child Language Disorders, Madison, Wisconsin.

Miller, C.A., Gleitman, H., Gleitman L.R., and Ostrin, R. (1993, April). *Symmetry: A study of syntax-semantics links*. Poster presented at the Annual Meeting of the Eastern Psychological Association, Washington, D.C.

Invited Presentations

Tomblin, J.B., Nippold, M., Ellis Weismer, S., Catts, H., & Miller, C. (November, 2008). *Schoolage children: Living on the edge of communicative competence*. Invited symposium presented at the Convention of the American Speech-Language-Hearing Association, Chicago, IL.

Miller, C.A. (March, 2009). *Developmental relationships between language and theory of mind*. Invited paper presented at the Spectrum of Developmental Disabilities Course, Kennedy Krieger Institute, Johns Hopkins University, Baltimore, MD.

Professional Service

Reviewer, *Journal of Experimental Child Psychology*; 1999-present
Applied Psycholinguistics; *Child Development*; *Language, Speech, and Hearing Services in Schools*; *American Journal of Speech-Language Pathology*; *First Language*; *Journal of Speech, Language, and Hearing Research*; *Cognitive Development*; *Journal of Communication Disorders*; *Discourse Processes*

“Seasoned” Reviewer for American Speech-Language-Hearing Association/Foundation Grant Review and Reviewer Training Program 2011

Guest Associate Editor, *American Journal of Speech-Language Pathology* 2011

Reviewer for Special Emphasis Panel, Voice, Speech, and Language Small Grants, National Institutes of Health 2011

Reviewer for Kirschstein National Research Service Awards for Individual Fellowships to Promote Diversity in Health-Related Research, National Institutes of Health 2009

Reviewer for internal grant proposal, University of Western Ontario, Canada 2009

Reviewer for grant proposal, Alberta Heritage Foundation for Medical Research, Canada 2008

Reviewer for grant proposal in Developmental and Learning Sciences, National Science Foundation, Directorate for Social, Behavioral, and Economic Science, Division of Behavioral and Cognitive Sciences 2007

Associate Editor, *Journal of Speech, Language, and Hearing Research—Language* 2006-2009
